**PROFILE**

Pierre Walters has performed in over 30 films and 25 theater presentations nationally, he has directed and produced over 60 productions from televised broadcast and corporate industrials to theatrical presentations and national spot music videos. As full time Director and Senior Producer for Blue Artists, LLC, Pierre is responsible for leading the way in quality and vision for the company's many media endeavors. Producing innovative and demographically diverse programming for a large variety of clientele, Pierre Walters is a storyteller in the fullest sense of the word as evident in his natural and passionate performances both as an actor, producer, and director.
